

COVENANT STUDENTS

COVID-19 CS FALL ACTION PLAN

GUIDELINES FOR STUDENT MINISTRY AT COVENANT MAKING STUDENT SAFETY A PRIORITY

1. PHYSICAL DISTANCING

Students are encouraged to maintain an appropriate distance from their peers, approximately 6 feet. Our programming will be set up in a way that enables this.

2. HYGIENE & MASKS

Students are encouraged to continue practicing good hygiene. Hand sanitizer stations will be available throughout the building. Frequent use of the sanitizer or hand washing is encouraged. Students are also encouraged to wear Masks and any PPE.

3. FOOD/DRINKS

No food will be shared by students and students are encouraged to bring their own drinks. If and when snacks are resumed, they will be individually packaged and handed out by leaders.

4. STAY HOME IF SICK

Students should stay home if they are not feeling well. Though they will be missed, the best place for them to feel better is at home. Alternative options will still continue. Let us know you are interested in being a part of an online small group by sending us an email: students@covenantdoylestown.org. After that, we will send you the link for the Zoom call.

5. SMALL GROUP SPACES

As our classrooms will be the only room opened to hosting small groups, it will be frequently cleaned and sanitized after each group.
